

# Species representation in the furry fandom

Prepared by the Furry Research Center (furcenter.org)  
27 June, 2008

This data is taken from the first 5000 respondents to the furry survey (<http://www.klisoura.com/furypoll.php>). 3785 people out of those 5000 provided an answer to the question "if you identify with a particular animal, which one is it?"
